

Salem's & Hot Dog's Wacky Candy Bar Label

1. Cut out this label
2. Slide the paper label off a foil wrapped candy bar (Examples: Hershey's with Almonds, Hershey's Milk Chocolate Bar, or Nestle's Crunch). Glue or tape this label around the bar instead. Trim to fit if necessary.
3. Leave your 'Pet Snax' lying around so a friend sees it. Then pick it up, unwrap it, and take a big bite to their disgust.
