

# Archie

PERSONALIZED  
Bookmarks

1. After downloading this file open it in Adobe Acrobat 5.0 or later (Free to download at [www.adobe.com](http://www.adobe.com)). Personalize the bookmarks as you wish.
2. To make your bookmarks more durable, print out the personalized PDF document on card stock. If that's not possible, simply glue this page to a sheet of construction paper or light cardboard before cutting out.
3. Cut out your bookmarks along the black outlines and start reading!
