More Back-to-School Pencil Toppers

1. Cut out the pencil toppers along the dotted lines (For added durability you may want to glue the page to heavier paper before cutting.).
2. Carefully use scissors or a craft knife to cut the '+' opening in the top and bottom to form flaps.
3. Slide the top opening flaps up the pencil and then the bottom ones.
4. Position topper near the top of pencil.
5. Listen to your friends "Ooh!" and "Ahh!"
